2,500 square feet  
in-house commercial kitchen  
set-up and clean-up included  
projection screen: 26' x 13'  
Dolby Digital sound system

Does your family have a bar/bat mitzvah, birthday, retirement, or other big event coming up? The J's auditorium is the perfect place to celebrate!

Since the newly renovated space opened in 2014, several families have had a blast hosting their bar or bat mitzvah parties here. Our stage can host a band or DJ. You can set up a creative photo booth. There's banquet seating for 200, with tasty food from outstanding caterers using our commercial kitchen. Plus our floor is great for dancing the night away.

Perhaps you're planning a milestone birthday or retirement party. Our 26-foot wide, 13-foot tall projection screen is a wonderful way to share old family videos or a photo slideshow of great memories; the Dolby Digital surround sound will create an immersive movie-theater experience.

The space is also great for meetings, baby namings, fundraisers, lectures, and more. Our staff does all the set-up and is on hand to make sure your event goes off without a hitch. Come celebrate your family's next *simcha* (joyous event) at the J. We'll take great care of you!

Interested in renting the auditorium for your next event, performance, or celebration? Contact SJCC Director of Facilities Operations Matt Grogan at [MattG@sjcc.org](mailto:MattG@sjcc.org) or 206-388-1999.
