Beautifully Unique Sanctuary

Whether you have a small, intimate wedding in mind or a larger gathering planned, Welcome Table Christian Church is a perfect and affordable venue. Our sanctuary is wonderfully versatile and can accommodate many different configurations to meet your needs with seating for up to 100 guests.
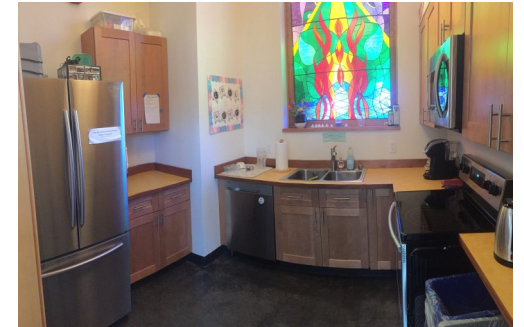

For smaller weddings, the sanctuary can easily serve as both the service and reception venues. We have a full kitchen with standard appliances to help your nuptial soiree go off without a hitch—and without having to relocate. A marvelous way to celebrate with one less thing to worry about. Let us help you simplify your day.

Large Dressing Room

Our largest dressing room can accommodate your entire wedding party, if necessary. While it is up a flight of stairs (no elevator, sorry), this room is quite private for all your last minute preparations.

The smaller of our two dressing rooms is ADA accessible and conveniently located near the front of the sanctuary and two restrooms.

With our All-Inclusive rental, you have access to all of the rooms in the building.
